

The Town & Country Inn and Resort, in beautiful Shelburne NH

Located in the heart of the White Mountains, the Town & Country Inn and Resort has been a family owned and operated business since 1956, and open year round. Our hotel caters to the individual traveler, and with our 153 guest rooms, to large groups. We have ample parking to accommodate large buses. Scott Labnon, owner/operator, will tailor your package to meet your needs. Our amenities include an indoor pool, jacuzzi, and sauna, as well as an outstanding restaurant and lounge. With our restaurant on site, we offer a complete breakfast and dinner, along with a full service lounge that features nightly hors d'oeuvres and live entertainment on weekends.
