

## Relaxation and Adventure in the White Mountains!

The Cranmore Inn is a boutique 19 room inn and bed and breakfast in the center of North Conway Village with easy access to the Conway Scenic Railway, village shops, boutiques, restaurants, a golf course and an abundance of year-round, outdoor activities that make North Conway such a special destination.

Serving travelers to the area since 1863, the Cranmore Inn features a blend of modern amenities and historical charm, professional and personalized hospitality, and the opportunity for both adventure and relaxation.

Each of our 19 bright, modern accommodations are designed with the historic nature of our 1863 building in mind – from intimate Queen and King guest rooms, to more spacious deluxe rooms and suites, to apartments with kitchens — all tastefully decorated with private bathrooms, cable TV and air conditioning.

We will tend to your comfort with friendly smiles, warm New England hospitality, and our popular afternoon homemade treats with coffee and tea. Enjoy our large landscaped backyard with flowers, play area, patio and fire pit. Gather with friends in front of the fireplace in our spacious parlor, challenge your traveling companions to a board game, kick back with a book, relax in our year round outdoor Hot Tub, take a dip in our (seasonal) outdoor solar-heated pool or unwind on in a rocking chair on the front porch.

The beautiful Cranmore Inn Bed and Breakfast offers you personalized attention, hot cooked to order breakfasts, afternoon snacks, concierge services, guidance and comfort. If you're looking for a distinctive New England getaway in an ideal location, please consider a visit to the White Mountains and our unique North Conway boutique Inn. You'll want to come back again and again. We look forward to welcoming you and helping you to discover the best of North Conway and New Hampshire's White Mountains.
