Cog Railway Museum

Experience The Summit

Climb to the highest peak in New England on the world's first mountain-climbing cog railway!

- ⚙️ Ride in one of our 6 new **biodiesel** powered engines, or **two vintage coal-fired steam** trains
- ⚙️ Your **3-hr/6 mi round trip** includes a round trip ticket, admission to the Cog Railway Museum and approximately **one hour to enjoy the summit of Mt. Washington**—the highest peak in the Northeast.
- ⚙️ The **only** cog railway east of the Rocky Mountains, located in the majestic White Mountains of NH
- ⚙️ Our brakemen give an on-board guided tour of the railway history and surrounding mountains
- ⚙️ **Made in the USA...** The engines and coaches are designed and built at the Cog by its crew of talented machinists and craftsmen.
