The Yankee Clipper Inn is celebrating their 40 year anniversary as a family owned business, nestled in the beautiful White Mountains. We are conveniently located to all of the area's attractions, with 68 comfortable guest rooms, friendly staff, spectacular scenery and over 60 tax free shopping outlets within walking distance from our front door.

For groups looking to visit us in the winter season we're close to many ski areas, tubing parks, ice climbing and snowmobile trails.

Your guests will enjoy the hospitality of our staff, the convenience of our location, the comfort of our rooms, and the best value that Mount Washington Valley has to offer.

For over 40 years the best days of Mount Washington Valley have always started with breakfast at the Blueberry Muffin Restaurant.

Our group rates can be priced to include breakfast where we can accommodate up to 180 people at any given time. Every meal is prepared with the freshest ingredients, serving up tasty traditional favorites such as omelets, waffles or our plate-size blueberry pancakes, and you can't forget our delicious king size muffins.

If your itinerary doesn't call for lodging in the Mount Washington Valley but you're passing through and looking for a great place for breakfast or lunch we can accommodate up to 2 tour buses at the same time.

Our guest rooms are newly renovated and consist of 2 doubles or kings. They offer cable TV, refrigerators, free wireless internet and individually controlled heat and A/C. Some guestrooms have balconies or fireplaces.

We have an indoor pool with whirlpool spa that's open until 11pm for adult swim.

And an outdoor seasonal pool to enjoy in the warmer months.

Guest laundry facility on premises.
